We are excited to be the restaurant of choice for your dining needs and it is our goal to provide you and your guests a pleasurable experience. To accommodate your party along with others, Cocina Superior requires this form completed and faxed to us at 205-259-1987 along with a valid credit card to confirm this reservation. We will in turn provide a confirmation number either via email, phone, or fax. By signing below, you also agree to Cocina Superior's reservation policies:

- We do not sit incomplete parties.
- We hold tables for 15 minutes past the reservation time. After this time has expired, we will accommodate only the amount of people present. Late arriving guests will not be accommodated with the original party, and will be required to wait for a table among other walk in parties.
- Please communicate the anticipated number of guests with the restaurant staff. Should this party either increases or decreases, call 205-259-1980 and speak with a manager to change the number of guests. Failure to do so, or a no show, will result in a \$100.00 cancellation fee.
